PREFACE

About this course:

This is a self-study course. By studying this course, you can improve your professional/military knowledge, as well as prepare for the Navywide advancement-in-rate examination. It contains subject matter about day-to-day occupational knowledge and skill requirements and includes text, tables, and illustrations to help you understand the information. An additional important feature of this course is its reference to useful information in other publications. The well-prepared Sailor will take the time to look up the additional information.

History of the course:

Aug 1997: Original edition released. Prepared by ADCS(AW) Jim Roberts.

Nov 2003: Administrative update released. Technical content reviewed by AMCS(AW) Dave Franks and AMC(AW) Mike Davenport. Content not revised pending planned major revision.
